RE: Application # 09/994/805
Applicants PUGLIESE ET AL.

Dear Mr. Janvier,

We are in receipt of your notice of abandonment dated February 7, 2007 and confused by reference to attorney comments as attorney had withdrawn from this action.

It was not intent to abandon this patent. Can we schedule a time to discuss this matter and can you please advise what are immediate actions should be.

Thank you,

Richard A Angulo
